#### INDEPENDENT AUDITOR'S REPORT

Board of Trustees Chesapeake Shakespeare Company Baltimore, Maryland

#### **Opinion**

We have audited the financial statements of Chesapeake Shakespeare Company (a not-for-profit corporation), which comprise the Statements of Financial Position as of August 31, 2024 and 2023, and the related Statements of Activities, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Chesapeake Shakespeare Company as of August 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Chesapeake Shakespeare Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Chesapeake Shakespeare Company's ability to continue as a going concern for one year after the date that the financial statements are issued.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Anderson, Davis & Associates, CPA

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Chesapeake Shakespeare Company's internal control. Accordingly, no such
  opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Chesapeake Shakespeare Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

#### Note 1. ORGANIZATION AND PURPOSE

Chesapeake Shakespeare Company (the Company) was established in 2002 as a nonprofit group providing indoor and outdoor live theatre performances, as well as educational programs. According to the Company's mission: "Chesapeake Shakespeare Company creates community through energetic, joyful, and accessible classic theatre. We bring our art to Baltimore, the State of Maryland, and beyond, striving to engage new and non-traditional audiences and break down barriers to access. As a dynamic educational resource, we introduce Shakespeare to schoolchildren with vigorous, relevant programming. Through inclusive programming that resonates with contemporary audiences, our goal is to build cross-community engagement, highlighting our shared humanity through art and working to ensure that classic theatre is accessible and enjoyable for all."

#### Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Basis of Accounting**

The Company maintains its financial records and prepares its financial statements on the accrual basis of accounting in accordance with the Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) 958 *Not-for-Profit Entities*. Therefore, revenues and related assets are recognized when earned, and expenses and related liabilities are recognized when the obligations are incurred.

#### Basis of Presentation

The Company follows the recommendations of the FASB in its ASC. Under these recommendations, the Company is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Company. These net assets may be used at the discretion of the Company's management and the Board of Trustees.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Company or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

#### Recently Adopted Accounting Pronouncements

The Company adopted FASB ASU 2016-13 Financial Instruments — Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (ASC 326). This standard sets forth a current expected credit loss model ("CECL"), which requires the measurement of credit losses for most financial assets and certain other instruments that are not measured at fair value through net income. The standard requires the application of a current expected credit loss model, which is a new impairment model based on expected losses. Under this model, an entity recognizes an allowance for expected credit losses based on historical experience, current conditions, and forecasted information rather than the previous methodology of delaying recognition of credit losses until it is probable a loss has been incurred.

The Company adopted FASB Accounting Standards Update (ASU) No. 2016-02, ASC 842, *Leases*, which requires the recognition of a right-to-use ("ROU") asset and a lease liability based on the present value of the remaining lease payments. The Company adopted the standard by applying the new transition alternative (ASU 2018-11) where an entity initially applies the new standard to all existing leases at the adoption date without restatement to prior periods. The Company elected the package of practical expedients which permits a lessee to not reassess under the new standard its prior conclusions regarding lease identification, lease classification and initial direct costs. The Company elected to apply the risk-free rate, for all asset classes, to discount lease payments as permitted under ASU 2021-09. As permitted by the standard, the Company elected, for all asset classes, the short-term lease exemption in which leases with a term of 12 months or less are not recognized on the Statement of Financial Position.

#### Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Recently Adopted Accounting Pronouncements (continued)

The Company adopted FASB ASU No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets.* The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the Statement of Activities, apart from contributions of cash or other financial assets. The standard also increases the disclosure requirements around contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets a nonprofit entity has received. The Company has updated disclosures as necessary.

#### Cash, Cash Equivalents and Restricted Cash

The Company considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. The Company considers money market accounts used to fund operations to be cash equivalents but excludes money markets in the investment portfolio from cash equivalents. At August 31, 2024, the Company's cash exceeded the federally insured limit of \$250,000 per financial institution by \$389,802.

The following is a reconciliation to total cash, cash equivalents, and restricted cash reported within the Statements of Financial Position that sum to the total of the same such amounts shown on the Statements of Cash Flows at August 31, 2024 and 2023:

	2024		2023
Cash and cash equivalents	\$ 612,652		\$ 1,565,519
Cash – Board designated – Working capital reserve	20,000		20,000
Cash – Restricted in perpetuity – Working capital reserve	28,000		28,000
Total Cash, cash equivalents, and restricted cash shown in the	_		
Statements of Cash Flows	\$ 660,652	_	\$ 1,613,519

#### Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Market Value Risk

The Company invests funds in a professionally managed portfolio. Such investments are exposed to market and credit risks. The Company's investments may be subject to significant fluctuations in fair value. As a result, the investment balances reported in the accompanying financial statements may not be reflective of the portfolio's value during the subsequent periods.

#### **Income Taxes**

The Company is a nonprofit entity and is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, contributions to the Company are tax deductible under Section 170 of the Internal Revenue Code. The Company files an IRS Form 990-T, when required, to report all unrelated business income annually. The Company's unrelated business income arises from the sale of advertising in the performance programs. The Company is not classified as a private foundation by the Internal Revenue Service.

The Company follows the recommendations of the FASB in its ASC for *Accounting of Uncertainty in Income Taxes*. The Company has analyzed tax positions taken for filing with the Internal Revenue Service and all state jurisdictions where it operates. The Company believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at August 31, 2024 or 2023. The Company's returns remain open for three years for federal and state examinations.

#### Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### Advertising Costs

The Company advertises its productions in print and other media. The costs for such advertisements are expensed when incurred. Total advertising expense for the years ended August 31, 2024 and 2023 was \$80,411 and \$48,802, respectively, and is included in Program – marketing and Institutional marketing on the Statements of Functional Expenses.

#### Revenue Recognition

The Company recognizes revenue from educational program, ticket and concession sales during the year in which the related services are provided to customers. The revenue is earned at a point in time when the performance occurs. The performance obligation of delivering these services is simultaneously received and consumed by the customers; therefore, the revenue is recognized in the applicable fiscal year. Revenue received which relates to subsequent years is recorded as deferred revenue in the Statement of Financial Position.

The Company recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give—that is, those with a measurable performance or other barrier and a right of return—are not recognized until the conditions on which they depend have been met.

#### Contributions, Grants, and Support

Contributions are considered to be without donor restrictions unless specifically restricted by the donor. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or the purpose of the restriction is accomplished), net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the Statement of Activities. Revenue received with donor restrictions that are met in the same reporting period is reported as support without donor restrictions and increases net assets without donor restrictions.

Contributions receivables are reported in the Statement of Financial Position at the outstanding contribution balance adjusted for any write-offs and an allowance for potentially uncollectible contributions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of gift. Contributions to be received after one year are discounted at an adjusted risk-free rate of return if material. Amortization of the discount is recorded as additional contribution revenue and used in accordance with donor-imposed restrictions, if any, on the contributions. The Company periodically reviews all contributions receivable and determines the allowance for potentially uncollectible contributions receivable based upon an analysis of the collectibility of each account. An allowance is made for uncollectible contributions based upon management's judgment and analysis of the creditworthiness of the donors, past collection experience and other relevant factors.

Contributions of cash restricted for the acquisition of long-lived assets are reported as restricted support that increases net assets with donor restrictions. The restrictions are released when the long-lived assets are placed in service by the Company. Contributions of property and equipment are recorded as revenue without donor restrictions unless donor stipulations specify how the assets are to be used.

#### Accounts Receivable and Allowance for Credit Losses

Accounts receivable are reported in the Statement of Financial Position at the outstanding billed balance adjusted for any write-offs and an allowance for credit losses. An allowance is determined for credit losses based on management's judgment, past collection experience, forecasted information and other relevant factors. Amounts deemed to be uncollectible are written off against the allowance when it is determined they are uncollectible. Receivables are considered past due based on contractual terms.

#### Note 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Donated Services, Materials, and Facilities

Donated services are recognized as contributions in accordance with the recommendations of the FASB in its ASC for *Not-for-Profit Entities Accounting for Contributions Received and Contributions Made*, if the services (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals processing those skills, and would typically need to be purchased if not provided by donation. Contributions of tangible assets are recognized at fair value when received. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses or additions to Property and equipment.

Donations of materials are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use are reported as donor-restricted contributions. Donations of services and use of the Company's building are utilized in the Company's operations.

#### Subsequent Events

The Company has evaluated events and transactions for potential recognition or disclosure through February 26, 2025, the date that these financial statements were available to be issued.

#### **Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the Statement of Activities and in detail in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis. The expenses that are allocated include the following:

Method of Allocation Expense Depreciation and amortization Square footage Insurance Employee ratio Square footage Office Payroll Time and effort Payroll taxes and benefits Time and effort Rent Square footage Utilities Square footage

#### Fair Value of Financial Instruments

The Fair Value Measurements and Disclosures topic of the FASB's ASC establishes a common definition for fair value to be applied to accounting principles generally accepted in the United States of America requiring use of fair value, establishes a framework for measuring fair value, and expands disclosures about such fair value measurements.

That framework establishes a hierarchy for ranking the quality and reliability of the information used to determine fair values. The framework requires that assets and liabilities carried at fair value be classified and disclosed in one of the following three categories:

- Level 1 inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 inputs are based upon quoted prices for similar instruments in active markets, quoted
  prices for identical or similar instruments in markets that are not active, and model-based valuation
  techniques for which all significant assumptions are observable in the market or can be
  corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

#### Note 10. **ENDOWMENT**

The Company's Board of Trustees implemented a Board designated endowment during the year ended August 31, 2021.

Interpretation of Relevant Law – The Board of Trustees of the Company has interpreted the enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value endowment assets. This endowment is a result of an internal designation and not restrictions placed by donors. Accordingly, income earned on investments related to the designated endowment is not restricted and is included as income without donor restrictions.

#### Note 10. ENDOWMENT (CONTINUED)

In accordance with UPMIFA, the Company considers the following factors in making a determination to appropriate or accumulate endowment funds:

- a. The duration and preservation of the fund
- b. The purposes of the organization
- c. General economic conditions
- d. The possible effects of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of the organization
- g. The investment policies of the organization

Return Objective and Risk Parameters – The Company's objective is to earn a respectable, long-term, risk-adjusted total rate of return to support its operations. The Company recognizes and accepts that pursuing a respectable rate of return involves risk and potential volatility.

In pursuing its investment objectives, the Company assumes moderate levels of investment risk appropriate for a fund which is modest in size relative to the operating budget of the Company it supports. The Board also recognizes that some fluctuations in market values and rates of return are to be expected to achieve the long-term investment objectives.

The principal goal for the fund is to preserve and enhance the real inflation adjusted purchasing power of invested assets to support the long-term growth objectives of the Company.

The fund shall be managed with a view to ensure that it maintain sufficient liquidity should a contribution to the cash flow requirements of the Company be required.

Spending Policy - The Company will appropriate for funds for expenditure on an as-needed basis.

The Company's endowment is without donor restrictions and had a balance of \$325,000 as of August 31, 2022, 2023 and 2024.

#### Note 11. CONCENTRATION OF REVENUES

For the years ended August 31, 2024 and 2023, contribution revenue includes \$300,000 and \$285,000, respectively, of combined contributions from a private foundation of which two members of the Company's Board of Trustees are the President and Vice President of the private foundation. This represents approximately 12% and 11% of total revenue, gains and other support, excluding in-kind contribution revenue for the years ended August 31, 2024 and 2023, respectively.

### Note 12. OPERATING LEASES

In 2013, the Company entered into an agreement to lease a building that was renovated so that it can be used for performances and office space. The renovation was completed in September 2014. The building is owned by an entity controlled by two members of the Company's Board of Trustees and the annual rent is \$120. The lease expires in 2034. Management has estimated the value of the donated space to be approximately \$120,000 per year. The value of the donated space received in each of the years ended August 31, 2024 and 2023 was \$120,000 and is included as Rent on the Statements of Functional Expenses (see Note 13).
